## FLOOD AREA BRACES FOR RECORD CREST

St. Louis, July 20—(P)—The crest of the Missouri river surged through eastern Missouri today for its final great blow of the nation's first billion dollar flood.

More flood barriers crumpled as the Missouri emptied its heavy load into the overflowing Mississippi at their junction 15 miles north of St. Louis.

St. Louis and nearby communities expected the highest flood marks since 1884.

Waters of the Missouri and Kansas rivers left wreckage and ruin across western Missouri and eastern Kansas last week. The giant cleanup task in those areas is just beginning.

Although the Mississippi is expected to reach 40 1/2 feet at St. Louis Monday, damage in the city probably will be confined mainly to the riverfront section as it was in the 1947 flood.

Only a small part of the city's industry is situated in the vulnerable area.

The mammoth dikes on down the Mississippi from St. Louis are reported in better condition than they were in 1947, when the waters went to 40.2 feet here. Army engineers say they are expected to hold.

President Truman said in Washington that flood damage in the Midwest is now estimated at well over \$1,000,000,000.

## Three Are Dead In Quaker City Storm

Philadelphia, July 20—(P)—A violent thunderstorm, intensified by high winds and heavy hail, swept the Philadelphia region yesterday, killing three persons, injuring many others and causing damage estimated at hundreds of thousands of dollars.

The storm toppled an eight-foot chimney at Philadelphia's Presbyterian Hospital, seriously injuring a woman patient and tearing a hole in the hospital roof.

The gale forced 37 persons from their homes, tearing off roofs of nine houses in a row. It blew down a two and one-half story section of a South Philadelphia warehouse, crushing an adjacent two-story building.

About the same time that the chimney toppled into the Presbyterian Hospital ward, a section of the roof at the hospital's Nursing home was ripped off by the wind.

## County Red Cross Issues Urgent Appeal For Volunteer Blood Donors Next Week

Officials of the Warren County Chapter of the American Red Cross today received from Buffalo an urgent appeal for more blood donors for the visit of the Bloodmobile here next Wednesday from ten a. m. until four p. m.

With the request came the information that the Buffalo unit is entirely out of whole blood because of extra calls received from Army officials for blood to be sent to Korea, combined with unexpected requests in connection with the flood emergency in the Midwest.

These two demands served to exhaust the supply in Buffalo and every Chapter is being called upon to double efforts to reach increased quotas for blood during the immediate future.

In connection with the announcement the Warren County Chapter has been advised that the quota for the Bloodmobile visit next Wednesday has been increased from 150 pints to 175 pints, and as a result officials are anxious to enroll at least 250 donors.

Every person qualified to be a donor is urged to contact Red Cross Headquarters, telephone 226, as early as possible and sign up for the visit. In making this request Chapter officials make a special request that donors not wait to be contacted. Call the office and say you will be a donor Wednesday.

This new appeal from National Headquarters, combined with the fact that Warren has not been setting its quota in recent visits, spurs Chapter officials to seek cooperation of every able-bodied man and woman between the ages of 21 and 59 years, in their efforts to secure sufficient donors to insure the unit that at least 175 pints of blood will be secured here at Wednesday.

## HONOR OF TITUSVILLE PARK SITE IS DEAD

Titusville, July 20—(P)—Mrs. Edgar N. Doty, 75, died of a heart attack today on the eve of dedication in her honor of a \$150,000 recreation park.

Mrs. Doty was the former Helen Burgess, daughter of the founder Cyclops Steel Co., now a division of the Universal-Cyclops Steel Corp. She had donated 15 acres of her estate for Burgess park, a city project financed by public subscription.

## "Thru Traffic Stop" Signs Are Outlawed

Harrisburg, July 20—(P)—The familiar "Thru Traffic Stop" sign at intersections will become a thing of the past in Pennsylvania after June 1, 1952.

Gov. John S. Fine signed in to law a bill to outlaw that type of sign. Instead, the sign will have to bear the imprint "Stop" to be legal.

E. L. Schmidt, chief engineer of the State Highways Department, said thousands of state-owned "Thru Traffic Stop" signs throughout the commonwealth would be repainted to conform with regulations. Municipalities he said, would be expected to do the same.

## Japanese Treaty To Be Discussed At Frisco Meeting

Washington, July 20—(P)—The United States today invited 50 nations to meet in San Francisco, Sept. 4, to complete and sign a peace treaty with Japan.

The invitations were accompanied by copies of a treaty draft jointly sponsored by the United States and Great Britain. The invitations specified the conference would be held "on the terms of" that draft.

Russia was among the countries invited but officials here regarded it as virtually certain that Moscow would reject the bid. The Soviet Union has sharply criticized not only some parts of the proposed treaty, but also the way it was drawn up.

Russia had wanted a drafting system which would give it a veto over treaty provisions. The treaty, as presently drafted, does not recognize Russia's possession of the Kurile Islands or the south half of Sakhalin taken from Japan after World War II.

The official announcement reminded each country that the peace treaty text had been circulated to all prior to issuance of the conference bids.

As for the meeting in San Francisco, each nation was notified that all of the countries at war with Japan are being invited "except where special circumstances exist."

This was a reference to China. The United States and Britain asked not to invite China since the U. S. recognizes the Chinese Nationalist government and Britain the Communist government.

## Women Caught In a Zipper Asks \$2,953

Los Angeles, July 20—(P)—Because Mrs. Florence Goldenberg got caught in the zipper of a pair of slacks she was trying on, she wants \$2,953.

She said she suffered that amount of "physical, economic and mental damage" because the slacks were "unsafe and unsound."

Operators of the store claim she failed to use ordinary care. The case is to be decided today.

## Imperial Germany's Last Crown Prince Dies of a Heart Ailment at His Villa

Hochingen, Germany, July 20—(P)—Imperial Germany's last crown prince—Friedrich Wilhelm of Hohenzollern—died at his little villa near here early today after a long illness. He was 69.

Eldest son of Germany's last Kaiser, Wilhelm II, Prince Wilhelm since World War II had lived in near seclusion here within sight of a hilltop Hohenzollern castle which he could not afford to run.

In World War I he was in nominal charge—with general staff experts constantly at his elbow—of the German army in the bloody campaign at Verdun. After the heroic French stand had stemmed the German offensive, he was kicked upstairs to command of an army group.

He followed his abdicating father into exile in Holland, remaining there five years. Allowed back in Germany in 1923, he settled down to managing the vast Hohen-

## ABDULLAH OF JORDAN SLAIN BY ASSASSIN

Cairo, Egypt, July 20—(P)—King Abdullah of Jordan was shot and killed today while entering a mosque to pray, the Arab News Agency reported.

The agency said the Jordan radio, in announcing this, proclaimed that Prince Naif, Abdullah's second son, had been named to succeed his father.

The British Foreign Office also announced the assassination. A spokesman said: "We have received the news with profound regret." Amman radio said Abdullah, who claimed direct descent from the family of the prophet Mohammed, was shot down as he entered a mosque in Amman to pray. Friday is the Moslem Sabbath.

The wily, powerful monarch was a member of the Hashemite royal family of middle-eastern rulers whose ambition long had been to join the fertile crescent of Syria, Iraq and Jordan into a single, mighty nation.

Only last Monday in Amman an assassin's bullet killed Riad El Solh, foreign minister of Lebanon, an act which jolted the turbulent and nervous middle east.

Riad El Solh was killed by Syrian Nationalists. The act touched off riots in Lebanon, where Solh had been a leading political figure and head of numerous post-war Lebanese governments. He had long been an opponent of Abdullah's greater Syria ambitions.

Abdullah was 69 years old. He was regarded as one of the most powerful figures in the middle east, holding the balance of power there with his formidable Arab legion army formed under British direction.

Abdullah's eldest son, Crown Prince Talal, who once acted as ruler of Jordan in the King's absence, is now in Beirut for treatment for what published reports have called a "general nervous breakdown."

## Seek Reversal of House Freeze on Price-Wage Levels

Washington, July 20—(P)—Administration leaders, bracing for new blows at their battered economic controls bill, planned today to try to reverse a house action freezing price and wage ceilings at July 7th levels for four months.

President Truman entered the controls debate, telling a Massachusetts housewife that "big paid lobbyists" may succeed in scuttling the economic controls bill for the time being, but that if they do "we will just make a new start and try again."

"Though the special interests may have a triumph now and then," he wrote, "the people's interest is sure to triumph in the end."

The President's letter, as released by the White House, was not dated. But it was evident it was written before yesterday's house action.

The wage-price freeze amendment, tentatively put into the bill yesterday by a coalition of Republicans and Southern Democrats, left a welter of confusing interpretations in its wake as members endeavored to learn all its implications.

Charging it would kill price controls, administration leaders said they hoped to reverse the house decision when the time comes for a final rollcall vote—possibly tomorrow, perhaps not until next week. They were frankly uncertain of success.

## Swollen Streams Cause Postponement of Crucial Eighth Session of Truce Talks

**WATERFRONT ACTIVITY**—It's a toss-up between the waterfront and the mess hall for the most popular spot at Warren County Boy Scout Council's Camp Olmsted, near the Cornplanter Indian Reservation. Leaders with long poles on the dock and in boats keep constant watch during swimming periods. Those able to swim are permitted on the far side of the dock. Beginners must stay between the dock and shore where the water is quite shallow. See other Times-Mirror Photos on Page Nine.

## Chautauqua County Boys on Canoe Trip Pay Visit to Scout Camp at Olmsted

More than 80 Scouts who are closing the first week at Camp Olmsted tomorrow, played host to 11 members of the Chautauqua County Council participating in a canoe trip from Salamanca to Warren. The visiting group was in charge of Gerry Reynolds, District Scout Executive.

Other activities of the first period included instructional and recreational swimming, as well as boating and canoeing. Water-front Director, Dick Ruhman, reports that practically every Scout will advance in his swimming ability as a result of the time being spent on this portion of the program.

## P. U. C. Ordered To Hold New Hearing In Telephone Case

Philadelphia, July 20—(P)—The Pennsylvania Public Utility Commission has a superior court order to hold new hearings to fix Bell Telephone Company rates in the Commonwealth.

But neither the PUC nor the telephone company is commenting on the court decision until further study.

The court, in one of 100 opinions handed down yesterday, reversed a PUC ruling granting an \$18,000,000 rate increase to the telephone company on Dec. 31, 1948. But it did not make inoperative current rates.

A majority opinion written by Judge John C. Arnold directed the PUC to hold the new hearings to fix new rates and to refund the difference to consumers if the new rates are less than those now charged.

Arnold told a reporter the telephone company in its original application, agreed to make refunds if the courts rejected the increase. Participating in a minority opinion which dissented in part were President Judge Chester H. Rhodes and Judges Claude T. Reno and F. Clair Ross.

**BUSINESS INDEX**  
Pittsburgh, July 20—(P)—Pittsburgh district business rose slightly last week but not enough to offset the drop recorded during the holiday week of July 4, the University of Pittsburgh reports. The business index shows 182.3 percent of the 1935-39 average last week. It was 191.4 per cent a month earlier and 195 per cent at the middle of May.

## Injured Donor Given His Own Blood Back

Houston, Tex., July 20—(P)—Two days ago John T. Brown donated a pint of blood to the St. Joseph Hospital blood bank here.

While mowing his lawn yesterday, Brown was cut on both feet by a power mower. A doctor decided he needed a blood transfusion.

Brown got his own blood back.

## Confidence Man Made No Effort to Fill Rosy Promises

Washington, July 20—(P)—Sam Mason, described by senators as a confidence man who fleeced his victims of thousands of dollars, said today he never had made any effort to fulfill his rosy promises.

And, he told a special senate investigating committee, he has filed no income tax returns since about 1929.

Mason testified that he gave all the money he took in to a mysterious figure he identified as "Mr. Eungart."

Mason, a man with a red face and an artificial leg, said Eungart might be called "Ven" or "Vince" although he was not sure. Anyway, he said, Eungart was his agent or go-between with government officials.

Asked where Eungart is now, Mason said he understands Eungart has gone to Australia, but that he will be back, perhaps in August. "Eungart lived in Washington and he lived pretty high," Mason said. "He knew the right people and that's the way things are done here."

"Did Eungart ever deliver (Turn to Page Twelve)"

## Dry Forces Predict "Smashing Victory" In 132 Local Option Battles on Tuesday

Harrisburg, July 20—(P)—A leader of dry forces today predicted a "smashing victory" on Tuesday in 132 local option battles over liquor and beer. A wet leader said his group is "quietly confident."

At the same time, both leaders said they expect to send more voters to the polls on Tuesday than political parties waging primary battles. The leaders termed the issue "paramount, in some cases more important than the political fights."

Dr. O. B. Poulsen, legislative director of the Pennsylvania Temperance League, said his group would score victories in "at least 65 per cent of the campaigns we have undertaken."

## Raging Torrent Bars Jeeps Carrying U. N. Delegates To Site of the Conference

Munsan, Korea, July 20—(P)—The Korean armistice talks, focus of world hopes for peace, took a back seat today to the weather.

A flash flood turned a creek 10 miles south of the Kaesong conference site into a raging torrent and barred jeeps carrying United Nations delegations to the truce city.

Twenty newsmen and service personnel who crossed the stream before it became impassable reached Kaesong. They returned in late afternoon after the flood waters subsided.

Bad weather also grounded the helicopters in which U. N. delegates usually travel the 14 airline miles to Kaesong.

The eighth session between U. N. and Communist teams—generally regarded as crucial in this first phase of the peace talks—was postponed until 10 a. m. tomorrow. (7 p. m. EST, Friday).

A single major issue bars agreement on an agenda which would permit the armistice talks to move into the second phase.

While there has been official silence at the U. N. advance camp here, both Communist and high United States sources have made clear that the knot was tied by Red demands for withdrawal of all foreign troops from Korea.

Communist radios in Pyongyang, the Red Korean capital, Peiping and Moscow have dined this theme.

And in Washington, U. S. Secretary of State Acheson said a U. N. force "must remain in Korea until a genuine peace has been firmly established."

Acheson in a statement confirmed that "the Communist delegation at Kaesong has raised the question of the withdrawal of all foreign forces from Korea in connection with an armistice."

A U. N. spokesman told newsmen after the close of Thursday's brief seventh—"no-progress" session: "I think we will come to an agreement (at the next meeting) or there will be an air of finality about the disagreement."

The fact that only one issue bars an acceptable agenda indicated that the two delegations had found agreement on such questions as the significance of parallel 38 separating North and South Korea; exchange of prisoners; creation of a buffer zone; effective time of a cease-fire order, and possibly the supervision of enemy territory by neutral groups during the cease-fire.

To the Chinese Communists and the Soviet Union Acheson offered assurance that the continued presence of U. N. forces would constitute "no danger or threat."

He declared that the policies of the U. N. and the "very nature of that organization" provide "sufficiently adequate guarantees on this point."

## General Hospital Trustees Announce Plans for Fund Raising Drive In Fall

A general campaign to raise \$400,000.00 to complete the building program, will be held in November 1951, it was announced at the meeting of the board of trustees of the Warren General Hospital, held at the hospital July 19, 1951.

The decision to hold the fund-raising campaign in November of this year, was reached on recommendation of the finance committee of the hospital board and the special advisory building committee. The amount which must be raised, that is, \$400,000.00, is the same amount which was raised in the original campaign put on in 1945. Money actually paid under the 1945 campaign amounted to \$408,675.59, and the interest received on this fund is \$16,069.04, making a total of \$424,744.63.

It is now estimated that the entire new building program will cost approximately \$1,500,000, of which \$150,000 will be for new equipment. Considering the funds already raised and on hand, the Federal contribution to the building program which will amount to 40 per cent thereof, and funds which have been accumulated over the past few years for the purchase of new equipment for the new hospital, approximately \$400,000 must still be raised in order to complete the whole project.

The decision by the board of trustees, to put on a general campaign to raise the required \$400,000 in November of this year, was reached at meeting of the Hospital Board at which Horace Platt, the general contractor for the building program, and also Mr. Anderson of his firm were present. Mr. Green of the architectural firm of Lawrie & Green, and Mr. Norton of this firm, were also present at this meeting. Mr. Platt reported that he has been held up for about two weeks on some of the steel deliveries, but another week should see the structure going up in the air.

Other matters were discussed at this meeting, including new equipment for the laundry, but the most important piece of business was the decision to put on the campaign to raise \$400,000 in November. Everyone in Warren county will have an opportunity to make their contribution in order that this community may have a modern, fireproof, 150 bed hospital, with fine modern equipment.

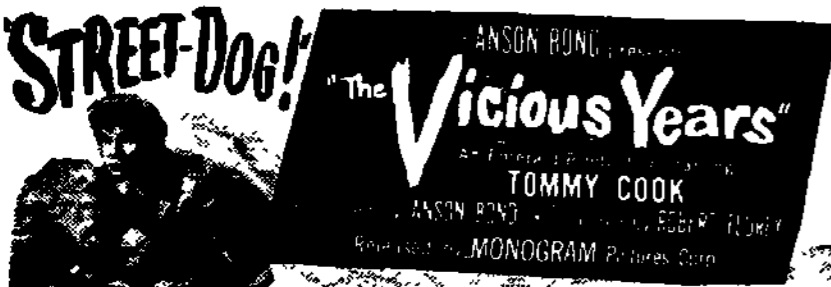

## BEACH FATALITY

Ocean City, Md., July 30—(P)—Russell Fawn Tarr, 42, of Apollo, Pa., died yesterday after trying to help his 12-year-old daughter who had gone to the aid of a boy beyond his depth in water at the south beach here. Both the daughter, Linda, and the unidentified child made their way back to shore safely. Worcester county medical examiner N. E. Sartorius said it was not certain whether Tarr drowned or died of a heart attack.

## ELBOW INURED

Terry Reist, 9, of Warren RD 1, was admitted at Warren General Hospital yesterday for x-rays. He suffered a dislocated elbow while at a camp near Butler.

## METER COLLECTIONS

Parking meters again hit over the half-thousand mark when police gathered in \$524.64 in yesterday's weekly collection. The record of almost \$530 was established last week.

## PIN FOUND

David VanCise, of Russell, was admitted and discharged at Warren General Hospital yesterday after reportedly swallowing an open safety pin. X-rays located the pin and it was eliminated without surgery.

## BRIDGE WINNERS

Harry Christensen and M. A. Kornreich were high pair last night in the weekly Elks' Bridge Club tourney, with Harold Gustin and Walter Pearson in second place; Henry Hunzinger and Ed Koehly, third.

## PEDDLER SOUGHT

City police were called to Market street yesterday by residents there who were being bothered by an itinerant peddler selling pencils. The man had disappeared before police could catch up with him.

## BATTLES PACIFIED

Police were called upon to pacify two neighborhood battles. One was on the east side yesterday afternoon, and the other early this morning when neighbors complained of the noise made by a nearby resident which prevented them from sleeping.

## POLICE SUBSTITUTES

All members of the Titusville police force attended a picnic of the Tri-City Order of the Fraternal Order of Police at Two Mile Run, near Franklin Tuesday, and members of the Veterans of Foreign Wars volunteered their services as substitute "cops" for the day.

## FIRE ALARM

Fire equipment rushed to Pennsylvania avenue, west, at the rear of Angove's Market, yesterday at 2:50 p. m., when a fire was reported in a 1951 Buick owned by Paul McCarty. Nothing was used and firemen returned to stations at 2:59 p. m.

## ROTARY MEETING

Dr. Nels J. Walter, DuBois, district governor, will make an official visit to the Warren Rotary Club at the meeting Monday noon at the YWCA activities building. He will meet with committee chairmen at eleven o'clock. Entertainment will consist of colored movies presented by LeRoy Schneck and Ernest Hagenlocher.

## NEWELL PRESS PICNIC

Reservations have been made for about 160 for the annual picnic of the Newell Press to be held at Oakview Park Saturday afternoon and evening, with a barbecued chicken dinner at six o'clock. The program will get under way at two o'clock to be followed by a full afternoon of games and contests for old and young.

## PLAN SERVICE CUT

Pennsylvania Electric Company is continuing its improvement program requiring installation of additional equipment, heavier wires, etc., and will have electricity off in the borough from Eddy street east on Pennsylvania avenue to Poplar street and on Third avenue, and on some adjacent streets, to Market, starting at 7 a. m. Sunday. The actual time off will vary as the work progresses, it is stated.

## DISMANTLING BRIDGE

Using a huge crane with a 2,200 pound ball, cutting torches, sledges and pneumatic hammers, workers are dismantling four 62-foot long sections at the western end of the old Washington bridge in Franklin. The concrete floor of two of the sections has been broken up and the workmen were engaged today in removing the long steel stringers from between the piers. When the four sections have been removed the earth fill beneath the bridge can be completed. Many tons of earth have been dumped at the end of the bridge to raise the fill to within 10 feet of the bridge flooring.

## RENTS STORAGE SPACE

Titusville Herald: The Ruel H. Smith Enterprises yesterday completed negotiations for the rental of the first floor of the three-story brick building of Chester H. Jones, State street, Pleasantville, near the main intersection. The space will be used to store raw materials and finished products. The one floor has about 4,000 square feet of space. Well-informed sources said yesterday that an engineer will come to the Smith Enterprises plant next week to make a survey with the view of enlarging the present main building by half. The plant turns out small electrical assemblies and has about 170 employees, mostly women. In its initial year it attained a remarkable growth and had a 12-month payroll of about \$350,000.

The public law of the United States revolves largely around (1) the Federal System; (2) the written Constitution; and (3) the judicial construction of written constitutions.

# Prices of Few Fresh Vegetables and Fruits Advance In the Eastern Markets

By the Associated Press

Prices of a few fresh vegetables and fruits advanced in major markets east of Kansas City this week after floods disrupted large shipments of produce from the far west.

But any effect the floods had on meat supplies and prices in distant cities was lost in a widespread slump in demand.

Agriculture Department market specialists reported meat sales were exceptionally slow, even for this time of the year. They blamed hot weather, consumer price resistance, and the beginning of the vacation period which saw many meat customers leaving town for resort areas.

Wholesale prices of beef ribs and loins, and the lower grades of veal and lamb were easing. Scattered reductions also were reported at the retail level, chiefly on the higher-priced cuts of beef, such as rib roasts and porterhouse and sirloin steaks.

And although supplies of beef, pork and lamb were reported generally light to moderate at the wholesale level, livestock marketings were on the rise following the week-long period of below-normal volume touched off by the beef price rollback and imposition of livestock slaughtering quotas.

Chiefly affected by the flood-caused shipping delays were prices of such perishable as western carrots, canteloupes, pascal celery and lettuce. Some items like cabbage and peppers, which were in oversupply recently because abundant rains in important growing areas hastened them to market, also advanced in price as supplies dwindled. Tomatoes were more plentiful but lively demand pushed prices a little higher.

On the other hand, several summertime fruits declined seasonally: Blackberries, blueberries, watermelons, grapefruit, grapes and sweet cherries.

A large independent coffee roaster in the New York area trimmed his wholesale prices two cents a pound and most chain stores immediately marked down his brand (Savarin). Other roasters, however, said present prices generally are as low as green coffee costs justify and an industry-wide wave of price reductions is unlikely until this fall when the green coffee may decline moderately.

## The Changing Landscapes

RALPH G. ECKERT

Hello folks: It seems that the second half spurt of work has gotten well under way. With most of the hay in (and I hear a lot of farmers asking what hay) Warren county farmers are finding more time to establish conservation practices on their farms.

Louis Komenda, farmer down Columbus way and member of Walter Nielsen's Veteran Agriculture Class, has the conservation survey finished on his farm. He is now ready to make the complete conservation farm plan with the help of an SCS technician.

Steve Mikrut, veteran and farmer in Swede Hollow, has started work on his farm pond. Steve is hoping for some choice fishing in the near future along with fine recreation and fire protection. The Soil Conservation Service designed the pond and is assisting during the building of the pond.

Charles Henry, farmer down Columbus way, has completed his conservation farm plan with the help of the SCS. Charles plans to concentrate on grassland farming while raising beef cattle. He also plans to use some of the land within its capabilities. In the reorganization of the Department of Agriculture, the SCS is charged with the technical responsibility of all permanent type conservation work. In carrying out this new order the Warren county PMA and SCS are now working closer together than ever before.

Robert Mead, Columbus township farmer, has requested payment for construction of open type drainage on his farm. A request to assist Bob in laying out and constructing this drainage has been relayed to the SCS by the local PMA Committee. See you all next week.

**ON THE SANDS OF TIME**—Recently discovered in the rocky hill country along the Guadalupe River near Kerrville, Tex., were huge dinosaur tracks like that pictured above, dwarfing a man's hand. It was made, some millions of years ago, by a monster called Tyrannosaurus Rex, fiercest and most terrible of the prehistoric animals. From 40 to 50 feet long and 18 feet high, it was a carnivorous killer with a melon-shaped head that was mostly mouth and sharp teeth. As seen in sketch below, it walked erect, supported by its huge alligator-like tail and used its comparatively small and weak forelegs for grasping its prey.

**REPORTED IMPROVING**

The many friends of Mrs. C. O. Swanson, 106 Center street, will be pleased to know that she is reported improving following a major operation at Warren General Hospital.

**FLORIDIN PICNIC**

Between 55 and 60 persons gathered at Mayville Park on Lake Chautauqua Wednesday afternoon for the annual picnic of Floridin Company employees and their families. Mushball, horseshoes, other games and swimming provided diversion for the afternoon and a wonderful dinner was enjoyed for the evening meal.

**LAW FOR MORTICIANS**

Legislation bringing undertaking establishments—in Pennsylvania under closer state supervision headed for the Senate today. The measure, passed unanimously by the House yesterday, would set up fines and jail terms for undertakers convicted of unprofessional practices. Backed by the Pennsylvania Funeral Directors Association, the bill bars unlicensed employees of funeral homes from embalming bodies, and requires preparation rooms to meet state sanitation standards. Anyone convicted of violating the proposed law would be liable to a maximum \$500 fine or up to one year in jail.

**CRUDE PRODUCTION**

The American Petroleum Institute estimates that the daily average production of crude oil and lease condensate for the week ended July 7, 1951 was 6,168,800 barrels of which 81,000 barrels were lease condensate mixed with crude oil losing its identity as such. Reports received from refining companies indicated that the industry as a whole ran to stills on a Bureau of Mines basis approximately 6,601,000 barrels of crude oil daily and produced 21,837,000 barrels of gasoline; 2,276,000 barrels of kerosene; 9,014,000 barrels of distillate fuel oil and 9,308,000 barrels of residual fuel oil during the week; and had in storage 126,758,000 barrels of finished and unfinished gasoline; 25,446,000 barrels of distillate fuel oil and 42,857,000 barrels of residual fuel oil on July 7, 1951.

**FOOD PRICES DECREASE**

Wholesale food prices, as measured by the Dunn & Bradstreet index, this week continued their steady decline which began in mid-May, and were at the lowest average level since December 19th. The index at \$6.88 compared with \$6.92 last week and was 7.3 percent above the year-ago level of \$6.41. The year's high was \$7.31 on February 20th. The index represents the total wholesale cost of one pound each of 31 foods in general use. Only four of the foods were higher this week: flour, wheat, cocoa and eggs. Lower were corn, rye, oats, ham, sugar, coffee, cottonseed oil, beans, peas, potatoes, raisins, currants, steers and lambs. Others were unchanged.

**"Over 2800 stops a month...yet my F-1 Panel hauls laundry for less than 2¢ a mile!"**

P. J. Elliott, of the New Method Laundry, states one good reason for his low truck operating costs: "We take the truck to our Ford Dealer for regular monthly service."

\*Address furnished on request

Like over 5000 other Fords in the 50-million-mile Ford Economy Run, Elliott's F-1 Panel was equipped with POWER PILOT...

"I know you can't beat Fords for low-cost delivery work," says P. J. Elliott. "In the six months of the Economy Run, our F-1 travelled 8,350 miles, made 17,339 deliveries and pickups, had no repairs. I spent a total of only \$162.13 for gas, oil and service—that's a running cost of less than 2 cents a mile."

No wonder the most talked-about economy feature in modern trucking is the Ford Truck POWER PILOT—it gives you the most power from the least gas! And you get the gas-saving POWER PILOT on all Ford's more than 180 truck models!

Availability of equipment, accessories and trim as illustrated is dependent on material supply conditions.

## Hal Boyle's Comment

By HAL BOYLE

New York—(P)—The law might be able to force a man to retire—but it can't make him quit.

If it could Dr. Benjamin Minge Duggar would never have discovered aureomycin.

At 78 Dr. Duggar is wondering where he can discover his second wonder drug. But at 70 he was wondering if he had a place in the world.

He was a professor of botany at the University of Wisconsin, and had reached the end of a 50-year teaching career.

"We don't have any old fossils around the university," he recalled drily. "By legislative rule you have to retire at 70."

But Dr. Duggar didn't want to rack up his test tubes just because he was three score and ten.

"It takes a lot of time to get experience," he said, "and once you have it you ought to go on using it."

But what to do? His dilemma was solved by some of his former students. They got him a post as consulting scientist for the Lederer Laboratories.

Dr. Duggar's pet specialty had been the physiology of the potato. But in his new job he had to pioneer in a fresh field. His assignment: "Find a better antibiotic."

The old teacher packed up his test tubes and set out to show the boys how. He collected and tested hundreds of soil samples. Three years after his painstaking quest began he found a golden-colored mold growing in one sample of earth from central Missouri.

It was his answer. It was known as "A-377" then. Today it is called aureomycin, a cure for dozens of infections ranging from boils to pneumonia.

That would satisfy many men.

but not Dr. Duggar. He still works seven days a week in his laboratory, and has now tested 3,000 soil samples in his search for his second wonder drug.

"I believe I'd be completely satisfied," he said. "If I could find a specific antibiotic effective against tuberculosis and the small viruses."

Small viruses cause such ailments as smallpox, mumps, rabies and the hoof-and-mouth disease in animals.

"I think the chances are good we will find it," he said. "There are many probabilities. It will take a great many laboratories and a great many years to explore the earth and its possibilities."

A few years ago there were fewer than 100 known antibiotics.

Now more than 600 have been classified, and others are being turned up.

He doubts lin his heart he will really give up his researches even if he finds a drug to whip tuberculosis to go on," he said. His hobbies include golf, gardening, bowling and playing with his 13 grandchildren.

The spry little elderly scientist summed up his own creed: "I don't think a man ought to coddle his defects. It's too easy in this world just to give up."

He says it's fun to be 78—and an explorer.

The diameter of the planet Jupiter is 11 times that of the earth.

## NATIONAL FARM SAFETY WEEK

Encouraging all farm residents to adopt safe practices in all phases of farm life is the goal set by President Truman in proclaiming the eighth observance of National Farm Safety Week, July 22-28, 1951.

The president's proclamation says, in part: "Experience has proved that observance of safe practices in working and living can reduce accidents. . . Now, therefore, I urgently request each member of every farm family to adopt safe practices. . . to drive safely, work safely and live safely."

To back up President Truman's call for the adoption of safe practices during Farm Safety Week, the National Safety Council herewith lists 10 farm safety practices that will help reduce the farm accident toll if they are adopted and followed:

1. Keep Machines in Good Repair: Keep all guards and safety devices in place. Stop machines before unclogging, oiling, or adjusting them. Don't wear floppy clothes around machines.

2. Operate Tractors Safely: Start tractors smoothly; turn corners slowly. Avoid ditch banks and soft ground. Always hitch to the drawbar.

3. Use The Right Tools For The Job: Make sure your tools are in a good, safe condition. Keep them in a safe place.

4. Watch Your Step to Prevent Falls: Keep ladders and steps in good repair, with no loose rungs. Make sure they are easily accessible in case of emergency.

5. Speak to Animals When Approaching Them: Keep them calm by acting with calm self assurance yourself. Keep bulls in a safe bull pen.

6. Know and Obey All Traffic Laws: Follow safe driving practices. Read and heed all traffic signs.

7. Be "Firesighted": Don't smoke around the barn. Pour gasoline or kerosene outdoors to prevent the accumulation of treacherous vapors. Dry clean outdoors. Don't use kerosene to start fires. Be careful with matches.

8. Be a Good Housekeeper: Have a place for everything and everything in its place.

9. Apply First Aid Promptly: Even minor injuries may be dangerous if they are not treated immediately. Keep first aid kits in the house, in the barn and on the tractor.

10. Treat Guns As If They Were Loaded: Keep guns unloaded except when actually using them. Aim only at targets you want to shoot.

Soviet Russia's public re-entry into the Korean cease-fire picture has intensified the uncertainty surrounding the whole business. It had been expected that there would be sharp differences at Kaesong. The Communists had demands about the withdrawal of foreign troops from Korea, and about the 38th parallel, which had to be compromised before the U. N. negotiators could enter into any truce. Then just as the negotiators seemed to be getting down to work on the really tough points, Moscow broke loose with a typical broadcast. "It is clear that peaceful settlement of the Korean question is impossible without the withdrawing of foreign troops from Korea." And in the opinion of many that's close to an ultimatum.

According to all reports members of School Safety Patrols in the borough and county had a most enjoyable time on the occasion of the annual picnic Thursday afternoon, sponsored by the Warren County Motor Club, at Midway Park on Chautauqua Lake. Not the least exciting part of the excursion were the police escorts given the special buses in Warren and through the city of Jamestown.

Presence of a young snake bite victim in the Warren General Hospital emphasizes that everyone visiting or residing in sections known to be inhabited by rattlesnakes should use extreme care and be on the alert to guard against such attacks.

Those writeups and pictures of activities at Warren's popular playgrounds leave no doubt but that these are great days for youngsters of the community.

Make certain your schedule for the coming week includes a visit to the polls on Tuesday to cast your ballot in the July primary election.

## "Is This a Private Fight or Can Anyone Get In?"

## Here And There

Mrs. Mabel Evans brought in one of those old time grade school class pictures which we are sorry we are unable to print because of difficulties involved in preparing it for the engraving machine. However, we are sure readers will be interested in the fact that Mrs. Evans identified for us every one of the young sixth or seventh grade pupils in the East street school room, taught by a Mrs. Freeman. Perhaps some subscriber who reads this will be able to furnish more complete information about the class and year the photo may have been taken. According to Mrs. Evans the class was composed of the following children: Harry Cogswell, Bessie Harrington, Mary Miller, Mable Davis, Bessie Goodrich, Clara Bayer, Will Schuner, Marie Morgan, Mildred Page, Mabel Evans, Bessie Haringer, Harvey Offerle, Leonard Cobb, Daisy Patterson, Clara Berger, Hattie Cowan, Clara Cowan, Lillie Thomas, Ed Ehrhart, Dick Walker, Clara Eckhart, Bert Hodges, Nellie Martin, Lena Koebley, Mena Koebley, Maggie Knupp, Mame Switzer, Bessie Phillips, Grace Todd Siggins, Archie Cogswell, Caldwell Johnson and Jessie Wilson Creal.

This 'n That: Carl Zents, director of District 2, Fraternal Order of Eagles, who lives in Kane, has been notified of his appointment as an honorary vice president of the district comprising lodges in Bradford, Kane, Warren, Ridgway, St. Marys, Kersey and Clarion. . . . Publicity is out for the annual rodeo to be held at Gerry, N. Y., the week of July 30. . . . Yesterday we mentioned that U. S. Route 6 between Kane and Lantz Corners was to be closed to traffic beginning Monday, July 23, but later information is that a change has been made and the stretch will not be closed until July 30. . . . Ray Malone, of Malone's Inn, North Warren, will be receiving congratulations Sunday on the observance of another birthday anniversary. . . . Assemblyman Allen M. Gibson, of Sheffield, visitor in the editorial room Thursday morning, unveiled a plan that may be proposed before the state legislature at Harrisburg next week, as a compromise to end the stalemate over the governor's tax program. . . . Up in Cattaraugus county, N. Y., where they are having quite a battle to legalize bingo, a verdict of innocent was returned in favor of Frank Maxwell, West Valley, by

a jury of eight women and four men; Maxwell was specifically accused of being a caller at a "quizzo" game, similar to bingo, during a firemen's field day event. . . . It was the second lottery case tried within a week, in the same court, with the same judge, with both defendants being freed when testimony disclosed the police arrested the men before the game was completed. . . . Ben White, down at the Dicky Ben Speedway, Starbuck, in announcing that stock car races will be resumed Sunday afternoon at 2:30 o'clock, passes on the information that local drivers are being encouraged to enter the contests which will be conducted entirely by the Speedway management, declaring "we're going to have bigger, better, more exciting races, run off as fast as possible, minus the long, tiresome waits and lost motion." . . . The Hydetown Essos lost a game to the Ludlow at Carter Field, Titusville, Thursday night under the lights by a score of 11 to 4, with Dean Whitaker on the mound for the Wildcats. . . . The mayor of Corry said there is too much "dead parking" on Main street as he asked and received council's approval for the purchase of 34 new parking meters for East and West Main streets. . . . Six boys from Kinzua and Corydon, in Warren county, contributed about \$100 for violations of the fish laws, according to a story out of Harrisburg; the men having measuring trouble at \$10 per trout. . . . "The Bird" in the Kane Republican says that Charley Musante, president of the Warren Hot Stove League, is interested in a post season tangle with teams in Kane of comparable age and experience, quoting Musante as saying that "he realizes that the Kane leagues and Warren leagues aren't on the same basis but there might be teams that could click in play-offs with nice trophies for the winner," and the Republican adds "Sounds like a pretty good idea!" . . . Another weekend of picnics and outings in store for most residents, who are hoping for favorable weather. . . . At least one or two families in Warren have been just a little concerned about news telling of flood conditions at Ford Riley, Kansas, where several boys from this area are known to be located.

A man who cracks the whip with-out cruelty is Clyde Beatty, leading animal trainer, whose adventures are dramatized over Mutual Mon-day, Wednesday and Friday after-noon on "The Clyde Beatty Show." Clyde sees the task, not on the ani-mals, but to create the loud reports which snap them to attention.

Baseball comes along next week the same as always and here is the schedule of games to be heard over WNAE and WRRN for the next seven days.

Friday, 8:30, Pittsburgh at Bos-ton.

Saturday, 2:00, Pittsburgh at Bos-ton (double header).

Monday, 1:30, Open date time.

8:25, Boston at Pittsburgh.

Tuesday, 2:30, Brooklyn at Chi-cago; 8:25, New York at Pitts-burgh.

Wednesday, 1:25, New York at Pitts-burgh.

Thursday, 2:30, Brooklyn at Chi-cago; 8:25, Boston at Pitts-burgh.

Friday, 2:30, Philadelphia at Chi-cago; 8:25, Boston at Pitts-burgh.

That makes a pretty full week of games. This Sunday the Pitts-burgh-Boston game will be broad-cast on WNAE from 2:30 on as the Jamestown Falcons are not playing at home that day. The game starts at 1:30 and the first hour of the game will be heard on WRRN. Warm-Up Time with Tucker precedes each game broad-cast by 15 minutes with Joe Tucker giving the fans the latest low-down on what's up in Baseball.

Dr. Jacob Crane, now touring Europe with his son Dick, has been sending more tape recordings home and another will be heard on the Roving Mike show tomorrow.

IT'S A FIREBALL ENGINE

# This one says You've Arrived

HERE pictured is an automobile that may well be the fulfillment of any man's dream of a fine motorcar.

For you've a right to expect, when you pay a fine-car price, that your money will buy more distinction, more comfort, more performance than are to be found in vehicles of lesser worth.

So mark well the things that a ROADMASTER offers.

No other car on the American scene has a prouder bearing.

No other automobile has more spacious dimensions, more luxurious comfort, or finer appointments.

No other car has a ride more serenely smooth on curve or straightaway, highway or byway.

And no other car, at ROADMASTER'S price or above, has Dynaflo, and the supreme command of every traffic condition which it provides.

So you, at the wheel of Buick's biggest and best, have a right to feel distinguished.

But there's a joy of possession which goes deeper than visible things.

There's the feel of a power plant as brilliantly eager as this great car's valve-in-head Fireball Engine—and the satisfying companionship of a

brawny traveler instantly responsive to your every wish.

And there's one thing more, which only ROADMASTER can give you in such generous measure. That is the pride of a wise investment, based on the fact that this car stands alone in price per pound, among fine cars similarly equipped.

So why not take that very important first step—and come in and see us soon?

Equipment, accessories, trim and models are subject to change without notice.

While the Roving Mike show is not going to be turned over to European tapes entirely, some of the better recordings that Dr. Crane has sent back will be featured on this program. The recording to be heard tomorrow was made in Sweden and contains a great deal of material that will be of special interest to many listeners of Swedish ancestry. A card was received from Dr. Crane at WNAE the other day from Paris and while he said nothing about having talked with Ann McGarry, certain people are hoping against hope that such a recording has been made and is on its way to Warren. There is some unexplained delay in getting the recordings across the sea. Cards and letters are received in much better time than the tapes and it looks like Dr. Crane will get home before some of his tape recordings get back here. There is one thing for sure... the tapes will be good any time they are received. Watch and listen for announcements of other recordings to be used on the air in the near future.

Ann Stewart has another special guest scheduled for her "Listen Ladies" broadcast for next Monday at 10:10. Each Monday, Ann tries to have a guest who has something of special interest to the ladies. "Listen Ladies" is heard each week-day morning, Monday through Friday, from 10:10 to 10:30.

A little disc jockey reminder about this evening. At 7:00 Schneck and Tranter have some music "on the record" and some "off the record" chatter. At 7:30 Wayne Howell is the man behind the mike on the "Stars Review the Hits," with a special guest to talk about the new recordings.

## Women Finish Up First Round Play

Women golfers of the Conango Valley Country Club completed first round matches Thursday in the yearly championship tournament.

Mrs. W. O. Lawson, defending champion, defeated Mrs. Paul Fisher, 7-6, and will now play the winner of the match between Mrs. Jell Hamilton and Mrs. Homer Subertson.

Other winners in the first division were Mrs. Melvin Keller over Mrs. David Beatty and Mrs. Sydney W. Blackman who won from Mrs. Robert Voigt.

In the second flight, Mrs. William Moore defeated Mrs. George Calderwood; Mrs. Robert Walsh won from Mrs. Peter Juliano; Mrs. Lyle Knapp downed Mrs. Fred Schardt and Mary Branch defeated Mrs. Henry Marymont.

Mrs. J. R. Supergman won her match from Guinevere Knapp in the third flight and Mrs. Folmer Yerg upset Mrs. Richard Costley.

The second round matches must be completed by Wednesday, July 25th.

In the weekly tournament, Mrs. Paul Fisher's drive nearest to the pin on No. 7 won her a prize in the first division; Mrs. David Crosssett was the closest in the second division and Mrs. Richard Costley took the third division prize.

Mrs. W. O. Lawson had the low gross of 91 for the field and low nets were won by Mrs. Robert Voigt with a 79; Mrs. David Crosssett, 81, and Mrs. Byron Knapp's 86.

On Wednesday, July 25th, the ladies will compete in a sweepstakes tourney.

Hong Kong has been a British possession since 1842.

### SCANDIA 4-H CLUB

The 4-H "Slick Stitches" of Scandia held a very enthusiastic meeting at the grange hall last evening at eight o'clock with twelve members and their leaders present.

The business meeting was conducted by the vice-president, Lorraine Waite. The girls were instructed in the use of the sewing machine, and their garments were well started. They joined the boys' 4-H club in a song fest and games. The girls were invited to meet at the home of their junior leader, Shirley Stoddard, at ten a. m. on Saturday, July 28, so that a home economics representative from the county office could be present.

The meeting adjourned at a late hour with everyone exclaiming about the grand time that was had.

### ARE DINNER GUESTS

Mrs. Wales Connelly and Mrs. A. L. Schneider entertained at dinner at their home in Ludlow Wednesday in honor of Mr. and Mrs. Charles Schneider, Jr., of Tulsa, Okla.

Mr. Schneider has recently been transferred to Newark, O., to become division engineer of the Eastern Division of the Pure Oil Co. A native of Warren county, he is receiving congratulations from a host of friends on his rapid advancement in his chosen field of endeavor. He is a grandson of Mrs. Schneider and nephew of Mrs. Connelly.

### MARTHA SOCIETY WILL HAVE SUPPER

Martha Society members of Emanuel Evangelical and Reformed church will have a tureen supper-meeting at 6:30 p. m. Monday at the home of Mrs. Fred Garner, 312 Park avenue. In case of rain, the gathering will move to the church parlors.

MRS. PETER L. BOHREN

Marilyn Clair Mohr, daughter of Mr. and Mrs. Edward Mohr, 1138 Lehigh avenue, Wyomissing, became the bride of Peter Louis Bohren, son of Mr. and Mrs. Peter Bohren, 15 Dartmouth street, Warren, at 2 p. m. Saturday, June 30, in the Ebenezer Evangelical United Brethren church, Reading.

The double ring ceremony was performed by candlelight by the Rev. Emmert M. Moyer, Philadelphia, assisted by the Rev. Leon E. Adams.

The bride, given in marriage by her father, wore white nylon tulle over satin, with an illusion neckline in the fitted bodice of Chantilly lace over satin, buttoned down the back. The full skirt had two panels of matching lace, that in the back forming a long train. A lace and satin cap held her fingertip veil and short gauntlets were of the same lace. Her flowers were a cascade arrangement of white carnations with white streamers showing the detachable white orchid corsage which formed its center.

Dorothy F. Bohren, sister of the bridegroom, was maid of honor and bridesmaids were Louise Jenckes and Betty-Lou Yarnell.

Their frocks, similar to that of the bride, were of pink and blue tulle over taffeta, veils and gauntlets matching their gowns. Their cascade bouquets of white carnations had pink roses, pink and blue streamers for contrast.

Virgil H. Bohren served as his brother's best man and ushers were the Rev. Elden D. Snyder, the Rev. Richard A. Cattermole, C. James Farrell and Dale Soderberg.

Following the reception in the church parlors, the newlyweds left for a wedding trip to New York City. They will live at 551 Spring street, Reading.

The bride is a graduate of Wyomissing High School and attended Albright College, where she was a member of the German and Spanish clubs and of the Albrightian staff.

Mr. Bohren is a graduate of Warren High and of Albright College, the latter in 1951. He was secretary-treasurer of Zeta Omega Epsilon fraternity, member of Pi Gamma Mu, national social science honorary, and business manager of the Albrightian. He served 13 months in the United States Army during World War II.

### NAMES OMITTED

Inadvertently omitted yesterday in the account of the reception honoring the Rev. and Mrs. L. Buck at Aksey were names of two of those appearing on the program. Elita Carlstrom, guest soloist, sang a vocal number and Norine Granquist played two piano solos.

## Brownie Day Camp Has Its Concluding Event

The last day of Brownie Day Camp for Warren and Pleasant township girls was held at Camp Birdsall Edey Tuesday, when everyone had a wonderful time exploring new nature trails, making spatter prints, lashing picture frames, cooking in the large fireplace on the mess hall porch, playing games and singing.

The Brownie Scouts will not soon forget the happy days they spent at The Box and at Camp Birdsall Edey, where they made so many new friends and had so many new experiences they are already looking forward to and planning for next summer. In the meantime, they have many happy memories and thoughts of the things they have done this summer.

The adult staff also enjoyed the pleasant days and the new friends they made. Serving as the committee for planning the camp were Mrs. Ralph Van Ord, chairman; Mrs. A. J. Weller, Mrs. Clayton Bannon, Mrs. F. L. Abendroth, Mrs. Victor Spatfor, Mrs. George Morrison, Mrs. Donald Taft, Mrs. S. M. McClure, Mrs. J. W. Rohrer, Mrs. Harland Wise and Mrs. William Cannon.

### AT BETHEL CHURCH

Rev. Roger D. Morey will begin a series of four messages this Sunday at Bethel EUB church, dealing with the general topic, "The Christian and Life's Experiences," and speaking specifically on "The Christian and His Sufferings." **Make Home Attractive Or Hubby Will Get Bored**

A WIFE writes me: "Although I am sure he loves me and takes a fatherly pride in our two children, my husband spends as little time at home as possible."

"He is restless if he has to spend half a day at home and always manages to think up some errands to do, or goes off to a neighbor's—anything to get out of the house."

"It worries me that our home seems to hold so little interest for him, but what can I do about it?"

First of all, stop and ask yourself an important question: "What does your home actually offer your husband in the way of relaxation and recreation?"

Too many men, when they are home, have either a choice of mowing the lawn or sitting down in an easy chair to read or trying to find something entertaining on the radio or television.

If they get bored and restless—after making that choice evening after evening and weekend after weekend—who can blame them?

### HE COULD DO IT—BUT WON'T

Of course, they COULD figure out some home interests on their own—if they would. Many men do. But a lot of men need some encouragement and a bit of leading to find some interests to fill the leisure time they have at home.

So, what is it that your husband might enjoy? Good music? A workshop? Photography? Some specialized type of gardening? Model building? The list of possibilities is almost endless.

But it will probably be useless of you to say "Why don't you find a hobby?" or "What you need is a workshop."

You've got to be a lot more subtle than that. Chances are he'll never take up a hobby unless he thinks it is entirely his own idea, for the value of a hobby is self-expression. Nobody wants to express somebody else's ideas.

Lead him to it gently, so gently he doesn't know he is being led. After all, you can't expect a man not to be bored around a house unless home offers him an opportunity to do something besides work or sit.

## Bible Lines

**"Many Are Called, Few Are Chosen"**

JESUS spoke this parable: A certain king who had made a marriage for his son came in to see the guests of the wedding, and he saw a man which had not on a wedding garment. And he said to him, "Friend, how earnest thou in not having a wedding garment?" And he was speechless.

Then said the king to the servants, "Blind him hand and foot, and take him away, and cast him into outer darkness; there shall be weeping and gnashing of teeth. For many are called, but few are chosen."

(Taken from St. Matthew 22, 1-14)

## Jesus Answers a Question

BY WILLIAM E. GILROY, D. D.

IT is the tragedy of Christendom that the plain, simple teachings of the Master concerning love and brotherhood, enforced by His example, have been neglected, undervalued, and unfulfilled.

One need only look at our world to realize the vast gap between Christian profession and Christian practice. In all churches "orthodoxy" has consisted for more in an assumed rightness regarding matters often deeply speculative, than in exactness in obeying the commands and following the example of Jesus in the relationships of daily life.

And this, I think, is particularly true with regard to one of the clearest and plainest utterances of Jesus, the meaning and application of which, it would seem impossible to miss.

This is the passage in the tenth chapter of Luke's Gospel, that we call "The Parable of the Good Samaritan."

The teaching that Jesus gave to the world—and professed Christianity has no vital authority except as it gives effect to that teaching—is found not only in the great pronouncements of the Sermon on the Mount; it is found and exemplified, often enforced and made plain, in incidents of the dealing of Jesus with individual men and women, and the little stories that He told, that we call parables.

Of these parables two, I think, are outstanding: the Parable of the Prodigal Son, revealing the very heart of the Gospel of God's love and grace for lost men, and

the Parable of the Good Samaritan, making plain God's way for man in relation to his fellowmen. In that latter parable is the great, ultimate definition of the meaning of neighborliness, love, and brotherhood.

The lawyer in that parable, who asked the question, "Who is my neighbor?" is typical of the generations of quibbling, arguing, controversial Christians, who have tried to put their own limiting interpretations on everything great and good, when they ought to have been exploring and practicing the limitless opportunities of being and doing good.

What is notable in the parable, beyond the glorified action of the Good Samaritan, and the ignominious failure of the priest and Levite, who would have despised him, is the very limitlessness that Jesus gave to His definition of "neighbor."

One must note how He turned the question upon the questioner. Jesus did not say that one's neighbor is this man, or that man, or even that the neighbor is the man who needs help. He said, rather, "The neighbor is yourself; the neighbor is the man who helps."

The man stricken on the road to Jericho must not have been a neighborly sort at all. We don't know anything about him except what the parable tells us about him, as he lay there wounded and dying on the road.

The neighbor was the Samaritan. And the limitlessness of neighborliness for you and me is found in that word of Jesus: "Go, and do thou likewise!"

# Treasurer's Sale of Seated Lands for Taxes for the Year 1949

In compliance with and by virtue of the authority vested in me by the several acts of assembly, and specifically by the act approved May 29, 1931, P. L. 280, as amended by the act approved June 20, 1939, P. L. 498, and other amendatory acts, authorizing and empowering the county treasurer to sell at public sale all seated lands upon which taxes levied by authority of any county, borough, township, school district and poor district are delinquent and remain unpaid, and fixing penalties, etc., I will sell at public sale the following properties as hereinafter set forth.

The purpose of said sale is to enforce the collection of delinquent taxes, penalties, interest and costs thereon as the taxes were returned for the year 1949. Said sale will be held in Court Room No. 2, at the Court House in the Borough of Warren, Warren County, Pennsylvania, on

**MONDAY, AUGUST 6, 1951  
AT 10 O'CLOCK A. M. (EDST)**

**TERMS OF SALE:** As soon as property is struck down, payment of the amount of purchase money, or such part thereof as is necessary to pay taxes, penalties, interest and costs in each case, will be required from the purchaser. In event said amount is not paid forthwith after the property is struck down the sale will be void and the property immediately offered for sale again by the Treasurer. No bid will be accepted for less than taxes, penalty, interest and costs.

If a bid is in excess of said amount, the purchaser will be required to make and execute to said Treasurer for use of the persons entitled to a bond for the surplus money that may remain after satisfying and paying all the taxes and costs as aforesaid.

To all persons, owners, or reputed owners of property, tenants or any claiming an interest in the following described lots or tracts of land: You are hereby notified that your property situated in the borough or township as hereinafter described has been returned for non-payment of taxes for the year designated, and unless such taxes and costs are paid on or before Monday, the 6th day of August, 1951, at ten o'clock A. M. Eastern Daylight Saving Time, of said day, the said premises will be sold as above set forth.

## Co. Firemen Hold Regular Meeting At State Hospital

Over sixty members of the Warren County Active Volunteer Firemen's Association, representing departments in Clarendon, North Warren, Pleasant township, Sugar Grove, Columbus, Russell, Tidoute, Kinross and Youngville, attended an interesting and instructive meeting held at North Warren last evening.

After the brief business session at the fire hall the visitors were escorted to the Warren State Hospital where they were privileged to inspect the elaborate fire fighting arrangements that have been devised for the protection of the institution and the large number of persons housed there. Under the supervision of William R. Cooke, in charge of the department, the visitors were taken through a couple of the buildings to look over the setup, the siren was sounded as well as the emergency steam whistle, and some other tests were made for the benefit of the visitors.

During the session L. E. Fancourt, sales engineer for the Mine Safety Appliances Co., of Buffalo, demonstrated a number of pieces of equipment, including smoke masks and a resuscitator.

A report was made of the standings in the water battle contest being staged by members of the association, and attention was called to the fact that Youngville-Sugar Grove and Sheffield-Columbus still have contests to stage. It was brought out that

Pleasant township leads in points with 52. Others competing are listed in this order: Russell 28; North Warren 22; Sugar Grove 18; Youngville 10, and Columbus 4. Officials stated that it is doubtful if this order will be changed when all contests are finished. Some battles have been staged in the second half which are not included in the above standings.

The next meeting will be held with Pleasant township firemen on August 16, the date being changed due to the firemen's convention earlier in the month.

A delicious luncheon consisting of sandwiches, pickles, olives, ice cream, cake and coffee was served by the State Hospital department and much enjoyed by all present.

### Men In Service

Mr. and Mrs. Charles Pearson, Russell, have had a telephone call from their son, Pvt. Gilbert Pearson, saying that he has completed his six weeks of basic training at Camp Breckinridge, Ky. and will remain there for another eight-week advanced course.

Sgt. James H. Cowles, just back from Korea, is spending a 30-day leave with his mother, Mrs. Arthur Van Ord, Lander-Russell road, prior to reporting August 1st to Indiantown Gap. Sgt. Cowles arrived on the General John Pope with 35,000 other soldiers, and is the first serviceman from this immediate section to come home under the rotation plan. He enlisted in the Army January 6, 1949, had his basic training at Camp Pickett, Va., additional training in Japan, and went to Korea in the latter part of August, 1950.

Pfc. Charles Kays has returned to Valley Forge Army Hospital after spending a 30-day convalescent leave with his parents, Mr. and Mrs. Harold Kays, 617 Fourth avenue.

**BUDDY SCORE BOARD**—Boy Scouts attending Camp Olmsted check in and out of the swimming area. Waterfront Director Dick Ruhlman is supervising this phase of the activity. The Buddy System is used as a safety precaution, and frequent checks are made during a swimming period. At that time a Scout must be near enough to his buddy to grab his hand and hold it over his head.

**CANOE INSTRUCTION**—Waterfront Director Dick Ruhlman outlines basic principles of safe handling of a canoe to Scouts interested in earning the merit badge at Camp Olmsted. Actual demonstrations of handling a canoe in the water followed, after which the Scouts took over the canoes to put into practice what they had learned.

**CAMP SITE**—This is Warren Scout Troop 5's campsite at Camp Olmsted near the Cornplanter Indian Reservation. The camp is deserted, except for the photographer's guide, since this photo was taken during the afternoon swimming period. Camps of other Warren County troops are scattered throughout the heavily wooded area. (Times-Mirror Photos).

To the average player, bidding is bidding and play is play and never the twain shall meet. To the expert, play is merely a continuation of the bidding.

The effect of the bidding on the play of the cards may be seen in one of the crucial hands of last winter's international championship at Bermuda. The British team got to three no-trump by the bidding shown in today's hand. That bidding, curiously enough, is what defeated them.

The English declarer won the first trick in his own hand with queen of clubs. Next he cashed

his three top diamonds, getting them out of the way so that he could win a trick with the jack of diamonds whenever he landed in dummy. Then he went back to clubs, leading the king from his hand.

Now look at the hand from the point of view of Schenken, the

## Hammond Iron Tops Floridin To Climb Into Tie for 1st Place

Hammond Iron, making a strong bid for first half honors in the Sunset Baseball League, last night whipped the Floridin Co., 12-4, at the State Hospital field.

Hammond opened with a five-run spurge in the first inning and kept the merry-go-round turning. Shanhala's long-ball hitting proved a great aid to the Ironmen. Griffin, lead-off for Hammonds, whacked two triples and a single in four trips, while Bevevino hit a triple and three singles in five official tries at the plate.

Floridin Co. got a total of six hits, two of which were credited to Beckinbaugh. Kerchner went all the way on the mound for Hammond Iron. He fanned five batters and allowed two walks. Haight started for Floridin Co., but gave way to Fisher in the fifth. Falvo then replaced Fisher in the next inning. The trio was shelled for a total of 16 hits, five of them for extra-bases.

Hammond .. 513 020 1—12 16 3  
Floridin .... 010 201 0— 4 6 1  
Umpires: Harry Rosequist, Ray Reed.

Last night's win for Hammond knotted the first half race, with Hammond and Sons of Italy each sporting six wins against two losses. Only one game remains to be played on the first half card and that is a clash between the Ironmen and the Sons of Italy.

The game was originally sched-

uled for Wednesday night at the State Hospital field, but the game was not played due to refusal of Sons of Italy to play unless Hammond Iron produced two new game balls, as required by league rules.

Bill Weidert, manager of the Sons of Italy team, today issued an apology to the disappointed fans who were at the field for the game.

"We would like to take this opportunity to apologize to the baseball fans who went to the State Hospital Wednesday evening to see the ball game.

"We are very sorry the game was called off, but we feel we were perfectly within our rights because Rule 10 of the Sunset League By-laws clearly states that the home team must furnish two new balls to start a game. Even the Hot Stove League starts their games with a new baseball.

"The manager of Hammond Iron's ball team has played enough baseball to know that you must have a new ball to start a game. We furnish them for our home games and, therefore, feel that we are entitled to the same consideration.

"Once again we wish to extend our apology to the disappointed fans."

### RACING CAREER OF CITATION IS ENDED

Inglewood, Calif., July 20—(P)—"The big horse is through." With those five words, this was written to the racing career of Citation, the first million dollar winner in turf history and a thoroughbred many call the greatest of all time.

Jimmy Jones, the Calumet's trainer, who has guided Citation since first he groped as a shakily-legged yearling in his native Kentucky, said the words. He said them with tears in his eyes, sadness in his voice.

Retirement of Citation at the nice old age of six was the wish of Mrs. Warren Wright. She is the widow of the master of the Calumet Farm in the bluegrass country, and it was her husband who set the final goal for Citation.

The goal was \$1,000,000. Citation hit and passed the mark last Saturday when he won the \$100,000 Hollywood Gold Cup Handicap. The \$100,000 sent his all-time earnings up to \$1,085,760.

The mark will stand for a long time. There is no one on the scene now, from all appearances, able to threaten it.

The record shows that Citation raced 45 times. Of those starts, he captured 32 wins. He ran second 10 times—seven during a troublesome year of 1950. He raced third twice, when he was just getting going again early this spring. He ran out of the money but once—fifth, last May.

HELLO, YOUNG GLOVER—This Tokyo youngster has a real chore on hand when he lifts that huge mitt to bag a pop fly. Apparently he thinks it's easier to net the ball. Japanese athletes have been playing the American pastime on an intense scale since the turn of the century. (NEA)

By The Associated Press  
Roberto Francisco Avila, fleet-footed Cleveland second baseman, is the main reason why the Tribe has the "Indian sign" on Boston and is only one and a half games behind the American League-leading Red Sox today.

It was Avila's batting and fielding yesterday that gave the Indians a 5-4 victory over Boston in 11 innings, their ninth win in 15 meetings with the pace-setters. That left the Tribe still in fourth place, but only two percentage points behind the third-place New York Yankees.

The World Champion Yankees bowed to Chicago, 2-1, as the White Sox bounced back to within three percentage points of the top. Only 17 points and a game and a half separate the first four clubs in one of the tightest races on record.

Rain played havoc with the National League schedule wiping out every game. The American managed to play all theirs. Detroit and Philadelphia divided a doubleheader. The Tigers won the second game, 4-3, after Morris Martin had hurled the Athletics to a 5-0 shut-out victory in the opener. In a night game the St. Louis Browns beat Washington, 9 to 7.

Avila, a singles hitter (only 15 of his 87 hits have gone for extra bases), slapped four yesterday to lead the Indians to their triumph. His fourth single scored pinch hitter Bob Lemon with the tying run after the Sox had tallied once in the top of the 11th. With two out, Sam Chapman singled behind third. Left fielder Ted Williams, expecting Avila to stop at third, held the ball momentarily. Avila, with a burst of speed, surprised Williams by keeping right on running to beat Ted's throw to the plate.

Outfit 11-5, the White Sox nevertheless took the rubber of the three-game set with New York on the erratic but effective hurling of Howie Judson. The righthander yielded at least one hit in each of the first seven innings, and put runners on base in every frame until relieved by Billy Pierce in the ninth. A double play ended the last Yankee threat in the ninth.

At that, the lone Yankee run, in the fifth, was unearned. It resulted from Gerry Coleman's single, Nellie Fox' error and a force play. Minnie Minoso's spectacular catch of Yogi Berra's bid for an extra base ended the rally. The Sox got their runs off loser Ed Lopat in the third. Chico Carrasquel singled, Joe Erazut walked, both runners advanced on a sacrifice and scored on a fly by Bob Dillinger and a double by Fox.

CROWNING BLOW—Dropping to the canvas is Ezzard Charles, until this pictured moment, World's Heavyweight Boxing Champion. Charles was felled by a smashing left hook from Jersey Joe Walcott in the seventh round of a championship match at Forbes Field, Pittsburgh, Pa., a historic blow which placed the heavy-weight crown on the 37-year-old challenger's head. The veteran Walcott, who had quit boxing six times in disgust, shouted after the fight: "It took me 21 years. I knew I could do it, and I did it."

## ★ THE SCOREBOARD ★ They'll Have to Take Uniform Away From Leonard, Ace at 41

BY HARRY GRAYSON  
NEA Sports Editor

NEW YORK—(NEA)—Emil John Leonard hardly expects to stick around as long as did Jack Quinn, but the butterfly bowler hopes to be useful to the Cubs or some other major league club for three or four more years.

Quinn you may recall, spent a season in the Pacific Coast League after winding up his big league career at 48.

In these days of night baseball, short series and quick jumps, Dutch Leonard is an extraordinary figure starring as a relief worker with the Chicago Nationals at 41.

How does the big right-hander keep going while much younger fellows can't find the plate, develop arm trouble and shuttle off to the minors?

"Enthusiasm and hard work," he says. "I'd like to give some of these young pitchers a good swift kick in the pants."

"I was hitting fungoes to the pitchers in Los Angeles in the spring, and one kid came in after shagging no more than four or five. I asked him where he was going. He said to the bench to conserve his energy. I asked him what he was conserving it for—the junior prom?"

"I run and get in fast pepper games just as I did when I climbed out of the coal mine at 20."

LEONARD says he sometimes thought he wasn't getting all the money to which he was entitled out of baseball, but the veteran has no kick coming.

"We get paid for doing what we like and getting the finest of exercise out in the fresh air," he stresses. "Business men pay to play golf, handball, squash and whatnot. We ride the best trains, stay at the ritziest hotels, eat steaks, and it's all paid for by the management."

"Why a guy who doesn't get a kick out of pitching or playing this game is nuts. And if he doesn't get and remain in condition to give his best and extend his playing days, he's crazier than that."

Leonard points out that a player is especially fortunate to be assigned to the National League side in Chicago, where all games are played in the afternoon. The game starts at 1:30 and the hired hands frequently are out of Wrigley Field by 4.

This is the last outpost of baseball under the sun, and attendance figures show it will still go in the larger centers. Indeed, the night game can kill itself, when overdone, as is currently being demonstrated on the National League side in Boston.

## Game Commission Has Broad Power To Fix Deer Rules

Harrisburg, July 20—(P)—The state game commission was given broad new power today to regulate hunting of antlerless deer in Pennsylvania.

A new state law, signed last night by Gov. John S. Fine, gives the commission sole power for the first time to fix open hunting seasons on a county-by-county basis and set license quotas for the counties.

It also fixes a special license of \$1.10 for antlerless deer hunting, in addition to the regular \$3.15 hunting license.

The law takes away from local sportsmen and farmers the right to abrogate open seasons in their home counties by petition. Previously such petitions, if signed by over 50 per cent of the licensed sportsmen and farmers in a particular county, could prevent hunting in that county.

Last year, a total of 14 Pennsylvania counties used the abrogation provision to block commission attempts to allow antlerless hunting in their areas.

Pennsylvania's deer herd now numbers some 700,000, a size said by the commission to be too large for available food cover. As a result, many have been reported damaging farm crops, while others starved for lack of food during winter time.

The answer, the commission has maintained, would be to give that agency more power to fix season limits and bags. Some sportsmen have differed with this view.

The antlerless deer season this year has been fixed for Dec. 14-15. It follows the regular buck season which runs from Dec. 3-13.

By The Associated Press

The Lockport Locks beat the Oil City Refiners 7-6 last night with a four-run ninth inning rally to creep within a half-game of first place in the Middle Atlantic League.

The loss sent the Refiners into the league cellar as the Butler Pirates, former basement dwellers, clipped league-leading Erie 4-3 in a 10 inning game.

New Castle beat Niagara Falls 4-3 despite hurler Francis Zelsz's 13 strikeouts and five-hit pitching. Three New Castle runs that crossed the plate in the fourth were unearned.

# Franco Move May Result In Placing A King On Throne

Madrid, July 20.—(P)—Generalissimo Franco appointed a new cabinet last night in a bid for American dollars and closer ties with the non-Communist west.

Highly placed sources said also that the new cabinet, which is strongly monarchist, would place a king on Spain's throne. The throne has been vacant since Alfonso XIII fled in 1931.

Restoration of the monarchy is expected to come only after long and delicate negotiations.

Franco himself remains as chief of state and president of the government.

The shakeup came shortly after the visit to Spain of eight American senators, representing the foreign relations committee, and of Adm. Forrest Sherman, the U. S. Navy chief, who reportedly reached a basic agreement with Franco on American use of Spanish naval and air bases.

President Truman told his news conference yesterday that the U. S. has somewhat warmed its policy towards Spain mainly for military reasons. Britain and France have announced their opposition to closer U. S. ties with Spain even though limited to military fields.

Spain's desperate economic situation looms large behind Franco's new policy.

# Plan Many Gifts For Printz Night

Ernie Bautz, boys' wear buyer for Printz Stores, said today there will be 50 prizes contributed by famous manufacturers of boys' wear for Warren Hot Stove League members and other youngsters who attend Printz Night at the Jamestown Municipal Stadium next Tuesday night when Jamestown meets Wellsboro in a Pony League game.

Names like McGregor, Kayne, Robert Bruce, Royal Sport, Sturdy Boy, Cliflex Clothes, Picariello and Singer and many others have contributed winter jackets, sport coats, shirts and other items that will be awarded as prizes.

Boys and girls from 6 years to 15 years will be admitted free of charge for the game. Free tickets may be obtained at the Young America Shop at the Warren Printz Co. store, 214 Second avenue.

leaves for who you gave him money?" Hoey asked.

"No, but he gave me a pretty good excuse," Mason replied. "He told me he couldn't get them right now because of the scandal now going on in Washington."

Before Mason testified, Meyer J. Sawyer, a Washington attorney, denied that he had any knowledge that Mason was collecting big sums of money from people introduced to him by Sawyer.

Right at the start, the senate committee, which is studying people who say they can influence government officials, started wondering about Mason's income.

# Motor Club Plays Host to School Safety Patrols In Boro and County

The Warren County Motor Club played host to about 350 members of School Safety Patrols and their chaperones from Warren, Sheffield, Clarendon Heights, Clarendon, Irvinedale, Spring Creek, Lander, Sugar Grove, and Russell, when the annual picnic was held at Midway Park Thursday afternoon.

Seven large chartered buses were required to transport the youngsters from Warren to the park and back. Valuable assistance in loading the buses in Warren was given by members of the police department here, and a special escort was provided through Jamestown last evening by police of that city, a courtesy much appreciated by those in charge and enjoyed by the youngsters.

The afternoon was spent by patrol members enjoying the many amusement devices at the park including the roller rink, arcade, merry-go-round as well as wading and swimming at the beach.

The picnic lunch prepared and served by the Lewis Catering Service at six o'clock was as usual one of the highlights of the event, the menu including sandwiches, cold cuts, salad, beans, cheese, all the ice cream they could eat, along with unlimited supply of milk.

A nurse in the person of Lucy Trussler made the trip with the youngsters but fortunately her services were not required. Others in charge, in addition to chaperones for each individual group, were P. C. Ostergard, Dr. Schuler, George Seavy, Frank Haggerty, Homer Bowersox, Mrs. Josephine Knoll, A. A. Albaugh, Mrs. Mary Mac Corah and Miss Olea Brown.

# MAN IS ARRESTED ON A BAD CHECK CHARGE

Herbert A. Stone, 32, of Jackson, Miss., formerly of Jamestown, was taken into custody at Jamestown today by Sheriff L. E. Linder and Warren Police Chief Mike Egan on a charge of passing a worthless check.

He probably will be arraigned this afternoon before Justice of the Peace Tracy M. Greenlund on the charge, involving an \$85 check cashed at a local business establishment.

Stone also was arrested on a similar charge some time ago in Jamestown and was given a one year suspended jail sentence and ordered to pay a \$75 fine.

# Flood Area Braces For Record Crest

(From Page One)

The estimate was mentioned by Mr. Truman in a letter to Defense Mobilizer Charles E. Wilson. This would include personal, industrial and agricultural damage.

Wilson was designated by the president to direct and coordinate the activities of federal agencies in restoring the general economy of the stricken area.

A small levee collapsed on the Missouri and water poured over the top of another, spilling over the levee cover area northwest of St. Louis where about 300 persons live. Some residents already had been evacuated and others were being moved out.

Two more levees near the junction of the two rivers gave way, increasing the threat to the village of West Alton, Mo., population 200.

Only one Missouri river bridge remains in use between Kansas City and St. Charles near the mouth of the stream, across the state.

There are 20,000 known diseases, causing losses totaling millions of dollars annually, of useful plants in the United States.

# THE MARKETS

New York, July 20.—(P)—Sentiment was on the upside today in the stock market, and prices advanced quietly in light trading. Only a few leaders managed to advance as much as a dollar a share. Scattered small losses were enough to dampen bullish enthusiasm for the rise. Rails did rather well. Also on the upside, although by small margins, were oils, aircrafts, chemicals and building materials. There was considerable indifference to the advance shown by motors, steels, radio-television, distillers and air lines.

# Four Young People Off on Long Voyage

New Kensington, July 20.—(P)—Four young people who want to find out what it is like living in small groups are en route to New Orleans today on a home made raft.

The quartet shoved off yesterday from New Kensington and sailed down the Allegheny river. The journey, expected to last several months, will take them over the Ohio and Mississippi rivers.

The trip is an experiment planned by Mary Ellen McGrady, 24-year-old sociology student at the University of Michigan.

Others making the trip are Milton Borden, 30, of New Bradford, Mass., an aeronautical engineer; Don Brown, of Detroit, a sociology student; and Geraldine Frederice Garcia, 24, Boston artist.

## Bids Are Opened For Rebuilding Of Rouse Hospital Barn

County commissioners said this morning that they have set next Wednesday, July 25, as the date for accepting or rejecting bids on the rebuilding of the barn at the Rouse Home in Youngsville. Bids were opened yesterday.

Low base bidder for the project, which calls for a one-story cinder block barn with brick facing to match existing buildings on the property, was the Chadakoin Construction Company, of Jamestown, N. Y. Their bid was \$74,240.

Four other bids were received. The Beyer Construction Company entered a bid of \$88,888; the H. Platt Co., of Erie, a bid for \$89,260; James H. McKillip, of Youngsville, a bid of \$98,721; and Ludwig Peterson, bid \$112,845.

For the plumbing work, only one bid was received. That was from Sans Corporation, of Jamestown, for \$5,673.

Electrical work brought three bids with C. Beckley, of Warren, as low bidder for \$2,745. The bid of the Schaeffer Electric Company, of Warren, was for \$2,887; and that of the Sans Corporation, of Jamestown, was for \$3,312.

The commissioners expressed disappointment with the figures and indicated that there was a possibility that all might be rejected as too high.

## Annual Summer Band School Plans Concert July 30th

The annual summer band school being conducted at Beatty Junior High School by Director Harry Summers is reported to have a record enrollment and an average attendance of 180 pupils.

Concluding event of the seasons will be a concert on the school lawn at 7:30 p. m. Monday, July 30, when Mr. Summers will present five groups, the beginners' band, two string ensembles, the Dugarees and Dragon bands.

While there will be no admission charge to the concert, the Warren School Music Boosters Club is arranging an ice cream social in conjunction with the music and will sponsor the ticket sale for that event. Students are taking home their social tickets today and parents are urged to lend a hand in their sale. Net proceeds from the social will be applied to the Boosters' Band Uniform Fund.

## G. L. F. Meeting In Bear Lake July 30

Bear Lake, July 20—Carlton Curtis, chairman of the members' committee of the Bear Lake Co-op G.L.F. Service, has announced that the local annual meeting of G.L.F. patrons will be held in the Bear Lake Community Hall on Monday, July 30, at 8 p. m. Two members will be elected to the members' committee to succeed George Fowler of Niobe, N. Y., and Alfonso Cornish of Bear Lake, whose terms are expiring.

Other members of the committee are: Hubert Johnson and E. B. Cornish, Jr., both of Bear Lake; Jess Scheller of North Clymer, N. Y.; and Mr. Curtis, of Columbus, N. Y.

Reports on local and over-all operations of G.L.F. during the past year will be given. Prizes will be awarded and refreshments will be served.

## PITTSFIELD SCHOOL REUNION SATURDAY

Former students of the Old Pittsfield school will hold their second annual reunion tomorrow at Vander Field with a basket picnic at one p. m. A large crowd is expected to attend, many from away. Inquiries have been received from states of Washington and Massachusetts.

Each attending is to bring a picnic basket, and coffee, cream and sugar will be furnished.

The committee in charge includes Henry Danielson, Lucy Anderson, Wave Carlson and Mabel Arnett.

## District Escapes Electrical Storm

This district escaped the jolting storm which hit north of here early yesterday morning. Distant flashes of lightning tried to dim the bright moon but that was all.

The electrical storm was termed Erie's worst since early spring. Lightning bolts caused at least 13 fires and knocked out electric service to Edinboro and McKean when a 33,000-volt line was hit.

In two spurts more than a half inch of rain fell in Erie, about 1:10 a. m. and again at 3:40 a. m. Hall pelted down in the storm center.

Corry was drenched with .32 of an inch of rain and one house was hit by lightning. The bolt shattered windows and damaged a radio in the Guy Darling home.

The Findley Lake region caught much of the storm's fury. Electrical power was not restored until yesterday afternoon after a tree broke a main line.

The greatest fire loss in Erie was at Wilkey's Confectionery at 1021 Parade street, where a series of refrigerators were damaged. Occupants of several homes were jarred out of bed by the ear-splitting reverberations of thunder. Wires and transformers were hit in sections of the city.

## 4th Ward Woman Seeks Nomination

For the first time in a number of years a woman is campaigning for one of the county offices to be filled at the general election this fall in the person of Mrs. Margaret Hartnett, wife of W. J. Hartnett, Eagan Place, who is a candidate for the Democratic nomination for jury commissioner.

Mrs. Hartnett, daughter of the late Mr. and Mrs. M. J. Daly, has spent most of her life in Warren, coming here with her parents from Titusville where she attended the convent school of the Sisters of Mercy. She has always been active in St. Joseph's church, is a Gold Star Mother and member of auxiliaries of both the Veterans of Foreign Wars and the American Legion.

Active in party affairs for the past twelve years, Mrs. Hartnett is first vice chairwoman of the Warren Democratic committee, is a member of the Victory club, and has been committeewoman in the fourth ward for seven years.

## SUGAR GROVE

Florence Carlberg, a member of the nurses' training class at Hamot Hospital, Erie, is spending her vacation with her parents, Mr. and Mrs. Paul Carlberg.

Dr. and Mrs. A. A. Grant and family, have returned from a three-weeks' vacation at Golden Lakes, Canada.

## IRVINE

Mr. and Mrs. Robert DeSallum and daughter, Tampa, Fla., are visiting relatives here and at Youngsville this week. Mrs. DeSallum is a niece of the late Harry Wing.
